<input type="radio"/>	<input checked="" type="radio"/>	In addition to planned physical education, we offer activities such as indoor and outdoor recess, before and after school programs, intramurals, interscholastic athletics, and clubs to meet the needs and interests of our students.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

<input checked="" type="radio"/>	<input type="radio"/>	We do not withhold physical activity as a punishment (e.g., taking away recess).	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other goal (describe):

We are limited in our ability to implement some of these items because of where we are geographically located. Most students travel over 10 miles to get to the school. We also do not have athletics at the school so not all questions apply to Jeff Tech

Notes on goals for physical activity:

The physical education teachers have been offering more activities to students during enrichment periods. They are actively trying to get students more involved in physical activities.

### Physical Education (PE)

Students are moderately to vigorously active as much time as possible during PE class. Accommodations are made in class for documented medical conditions and disabilities.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
<input checked="" type="radio"/>	<input type="radio"/>	We provide safe and adequate equipment, facilities, and resources for PE class.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
